SURFACE TEXTURE:

BUSH HAMMERED

NATURE RUSTIC

Material

Polyester (UV-stabilized),
technopolymers/ polymer concrete

Colors

Crystal, Blue, Amber
Basalt, Porphyry Red, Sand Beige, Granite Grey

Protection category

IP68 (according to project specification)

Maximum cable length

100 meters with up to 50 luminaires

Connecting cable

25cm 2x1,5²

Light Unit

7-fold LED on circuit board
0.5 W/ LED assembly

Light colors

Daylight white 6,500° K
Warm white 2,700°K
Deviations due to stone color/coating

Light flux

4.5lm - 5.5lm
Deviations due to color, surface, etc.

Operating voltage

9 - 15 V DC (direct current)

Load capacity

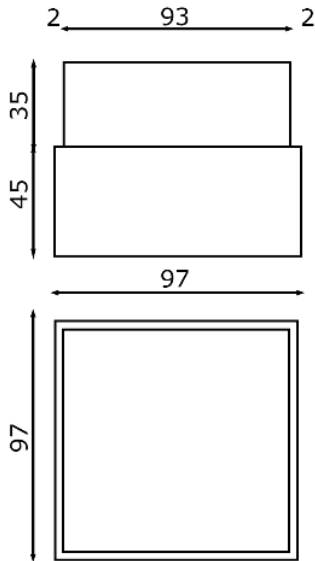

Can be driven over by trucks/cars at a maximum
speed of 20 km/h when installed
